Meet the Board

The CPA-PAC Board would like to extend a special thank-you to William Lazor, who served as chair for many years before passing the torch to Cheri Freeh in 2020. Under Bill’s leadership, the CPA-PAC blossomed into the thriving political arm it is today. We have no doubt Cheri will lead with equal determination and resourcefulness.

The CPA-PAC Board also thanks Robert Barbacane, Thomas Corcoran, John Pagerly, and William Shipley for their service, and welcomes new members Chris Turtell, Rachel Sargent, John Jones, Gail Hauseman, and Richard Ward.

“With my busy schedule (typical of us all), the contribution I make to our PAC, of both my time and money, is the most effective way to give back to my profession.”
Peter Barsz, CPA

“I first learned about the CPA-PAC after attending Day on the Hill. Meeting the PICPA’s Government Relations team gave me insight into all that happens in Harrisburg – it is far more than just the budget and individual tax bills. I want to ensure that I contribute to the collective PICPA members’ voice in Harrisburg, where decisions that affect our communities, clients, firms, and families are made.”
